

VISION STATEMENT

At Holy Trinity we welcome you to an exciting world of learning, discovery and friendship. We are passionate about nurturing every child, helping them to find and develop their own talents and be the best that they possibly can. Children will learn within a Christian community, surrounded by support, kindness, respect and fun; and will leave with fantastic memories to cherish forever.

Carrington Road
Richmond
Surrey TW10 5AA

Ethnic background record form (based on the new national population Census ethnic categories)

Pupil's name.....

Class.....

Information provided by; Parent / guardian
Pupil

Our ethnic background describes how we think of ourselves. This may be based on many things, including, for example, our skin colour, language, culture, ancestry or family history.

Ethnic background is not the same as nationality or country of birth.

The Information Commissioner (formerly the Data Protection Registrar) recommends that young people aged over 11 years have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Pupils aged 16 or over can make this decision for themselves.

Please study the list below and tick one box only to indicate the ethnic background of the pupil or child named above. Please also tick whether the form was filled in by a parent or the pupil.

- White British
- White Irish
- White & Asian
- White & Black African
- White & Black Caribbean
- Black African
- Black Caribbean
- Bangladeshi
- Chinese
- Indian
- Pakistani
- Gypsy / Roma
- Traveller of Irish heritage
- Any other White background
- Any other Asian background
- Any other Black background
- Any other ethnic group
- Any other mixed background

I do not wish an ethnic background category to be recorded.

Please return the form to the school as soon as possible.

(Any information you provide will be used solely to compile statistics on the school careers and experiences of pupils from different backgrounds, to help ensure that all pupils have the opportunity to fulfil their potential. These statistics will not allow individual pupils to be identified. From time to time the information will be passed on to the Local Education Authority and the Department for Children, schools and families (DCSF) to contribute to local and national statistics. The information will also be passed on to future schools, to save it having to be asked for again.)
