

# Register of Business Interests for Members of the Governing Body (December 2021)

## Vision

Our vision is that children are nurtured to love learning, love one another and love God.

***'Love learning, love one another, love God.'***

Love the Lord your God with all your heart, soul, mind and strength and love your neighbour as yourself (Mark 12)

From 1 September 2015, governing bodies and management committees have a duty to publish on their website their register of interests. The register sets out the relevant business interests of Members, and details of any other educational establishments they govern. The register also sets out any relationships between Members and with school staff, including that of spouses, partners and relatives – where applicable. “None” is the recorded entry on the register for governors who have no interests to register.
