

Holy Trinity CE Primary School Geography Fieldwork Map:

Children will be able to 'speak and think like a geographer' to make sense of their local area and present their findings (especially through fieldwork)'

	Autumn term	Spring term	Summer term
Year 1	<p><u>What's it like to live in Richmond?</u> Visit some local facilities e.g. shops, a library, a health centre and talk about what happens there and investigate why people go there.</p>	We are one nation: Britain	Hot and cold places
Year 2	Around the world	What's it like to live in Richmond, Australia?	<p><u>Weather and seasons</u> Record and observe the seasonal change around the school grounds and local area.</p>
Year 3	<p><u>Water, weather and climate:</u> How does the weather change in Richmond over a week? Children measure the temperature and record the weather events in three different places on the school site.</p>	Let's visit Europe	Where does our food come from?
Year 4	Let's visit South America:	<p><u>Towns and settlement topic:</u> Carry out an investigation into the reasons why people visit Richmond town centre. Gather quantitative data and interpret results using graphs.</p>	<p><u>Rivers and Lakes topic:</u> Human and physical features: The River Thames. How do humans use the river? Children will visit the riverside to map its land use. How have</p>
