

# Guided Reading and Associated Texts Progression Map

## The structure of English Guided Reading and Associated Texts at Holy Trinity

At Holy Trinity C of E Primary School, our Guided Reading programme reflects our core values of love, aspiration, and community, fostering a lifelong love of reading while supporting each child's academic and personal growth. From the Early Years Foundation Stage through to Upper Key Stage 2, our carefully structured progression incorporates diverse and inclusive texts that spark curiosity, develop critical thinking, and celebrate empathy. Pupils explore themes such as resilience, justice, and identity through a broad selection of literature, including classic and contemporary works, poetry, and non-fiction. By championing diversity and representation, our reading curriculum embraces varied cultural perspectives, family dynamics, and abilities, nurturing a sense of belonging and understanding. Rooted in our Christian ethos, the programme inspires every child to reach their God-given potential, preparing them for academic success, personal growth, and active citizenship in a supportive and compassionate community.
