

Holy Trinity C of E Primary School: PE and Sport Premium Impact Report – 2025/2026

Funding received	
Number of eligible pupils: 330 (including nursery)	Total amount received: £18830
Objectives	
<ol style="list-style-type: none"> 1. Increasing staff members' confidence, knowledge and skills in teaching PE and sport 2. Engaging all pupils in regular physical activity 3. The profile of PE and sport is raised across the school as a tool for whole-school improvement 4. A broader and more equal experience of a range of sports and activities offered to all pupils 5. Increasing pupils' participation in competitive sport 	
Meeting the swimming and water safety national curriculum requirements	
What percentage of Year 6 pupils can swim competently, confidently and proficiently over a distance of at least 25 metres?	86%
What percentage of Year 6 pupils can use a range of strokes effectively, for example, front crawl, backstroke and breaststroke?	84%
What percentage of Year 6 pupils can perform safe self-rescue in different water-based situations?	85%
Has the PE and sport premium been used to provide additional provision for swimming activities over and above the national curriculum requirements?	No*
<ul style="list-style-type: none"> • We offered the opportunity for catch up lessons to year 6 pupils however there was a low uptake, therefore we felt that we were unable to staff this appropriately. 	

Objective One: Increasing staff members' confidence, knowledge and skills in teaching PE and sport				
Actions taken		Funding allocated	Expected impact	Sustainability and suggested next steps
1	Get Set 4 PE Scheme- All lessons are already planned	£660	All staff to be able to deliver an active and engaging PE lesson to a good standard. All staff have access to the scheme.	The scheme works well and is easy to follow. Encourage all staff to use the demonstration videos.
2	PE lead to attend National PE conference	£175	To find out the plans for the new curriculum and the future of the sports premium. .	LC to engage with the new curriculum and ensure the scheme of work is up to date. LC to share the new curriculum with staff. The sports premium has been cut nationally, we are currently awaiting to see how the new proposals will look.
Objective Two: Engaging all pupils in regular physical activity				
Actions taken		Funding allocated	Expected impact	Sustainability and suggested next steps
1	The use of Mimove.	£650	The app allows us to keep track of how active children are in and out of school. It provides a regular opportunity for children to provide feedback.	Children may need encouragement to keep logging their activities. Regular reminders to be sent in newsletters for parents to see, regular feedback from teachers. This has not had the desired impact and we had decided that we will no longer use this service.
2	The introduction of the SMUGA	£1200	Having the SMUGA in place will allow the children the opportunity of playing football and handball at break times.	This has been very successful and we are seeing more children playing sport at breaktimes. We also have one day a

				week dedicated for girls only which has encouraged more girls to play football.
3	Brentford FC and Real runners leading lunch time sessions.	£9000	Children lead a more active lunch break in a safe and supervised environment.	Brentford Fc not being able to provide coaches,
Objective Three: The profile of PE and sport is raised across the school as a tool for whole-school improvement				
Actions taken		Funding allocated	Expected impact	Sustainability and suggested next steps
1	Results for competitions and fixtures announced during celebration worship. PE star of the Week trophy to keep raising profile of PE.	£170	To encourage children to try their best during PE lessons and to engage all students. To promote the school values of love, community and aspiration through PE and Sport.	Since being introduced participation and engagement levels have grown. Continue to announce winners in values worship and publish winners in the newsletter. Children that are part of competitions to write a 'match report' for the newsletter. Unfortunately Borough Sport was cancelled this year due to adverse weather. Team photos to be added to display.
2	Sports personality of the year	£550	To celebrate the success and achievements of our pupils throughout the school. Children are not just rewarded for their success but also their effort and attitude during PE lessons, showing the school values of love, community and aspiration.	We may have to rethink how this runs next year in terms of finance.
Objective Four: Broader and more equal experience of a range of sports and activities offered to all pupils				
Actions taken		Funding allocated	Expected impact	Sustainability and suggested next steps
1	A wide range of extra curricular clubs- ran by a range of local clubs	£3110	To introduce children to a range of sports and to promote sporting opportunities. More children	JA Coaching to continue the role of providing some extra curricular clubs.

			joining extra curricular clubs in school. Children are able to try an Olympic sport during an Olympic year. Higher participation levels and higher quality of coaching for extra curricular clubs.	Higher participation levels and higher quality of coaching for extra curricular clubs. LC to replace Brentford and takeover a KS1 afterschool club. Each year group completed in a small world cup style football event during PE.
2	Broad curriculum	Get set 4 pe scheme see cost in objective one.	To offer a broad range of activities to enable all children the opportunity to engage and participate in a range of sports.	Use pupil and staff feedback to alter topics covered throughout the year.
3	Joe Wicks visit	free	To encourage children to live an active and healthy lifestyle.	Craig Trollip organised a visit from Joe Wicks as part of Science week. Every child was involved in a morning workout.
Objective Five: Increasing pupils' participation in competitive sport				
Actions taken		Funding allocated	Expected impact	Sustainability and suggested next steps
1	Enter Borough leagues and tournaments- led by the RSSP and Schools Sports Partnerships. Hire of Lane for swimming gala trials. Mini bus contribution	£3490	Allows the children the opportunity to represent the school in a variety of sporting competitions. To be competitive in a range of sports, to encourage teamwork and social skills.	To highlight fixtures in newsletters. The use of the mini bus allows us to get to and from sporting competitions/fixtures easily
2	Friendly matches for B, C, D teams	free	To give as many children as possible the opportunity to represent the school.	PE lead to arrange small competitions with local schools. HT hosted a year 3 friendly football tournament between local schools. Keen to keep this going next year but also add more year groups.
3	Interhouse tournaments and competitions/ Sports day	£100	All children get the opportunity to compete against others.	To take place once a term. PE lead to review how this was delivered. At the end of each topic we tend to have a competition week but we need to highlight this more.

With the sports premium funding coming to an end from January 2027. Once all the information regarding the new structure and the new curriculum are in place, it would be a good idea for Luke (PE lead) and Uel (PE governor) to sit down and come up with a strategy to help PE and sport to keep progressing.
